TERMS AND CONDITIONS OF SALE

1 GENERAL

All orders are accepted and goods supplied subject to the following conditions. These conditions will be deemed to have been agreed even if inconsistent conditions of the buyer have been introduced at a later stage confirmed in writing by us.

2 QUOTATIONS

Quotations are valid for 30 days and represent no obligation until the Seller accepts the purchase order. Acceptance of the Seller's written quotation shall be taken as an acceptance also of these terms and conditions of sale, subject to any variation thereto agreed by the Seller in writing.

3 PRICES

Unless otherwise agreed in writing all orders are executed subject to prices ruling at the date of despatch and do not include carriage, packing, insurance or VAT and no price list of the Company, whether published or not, shall affect the right of the Company to charge for goods in accordance with this clause.

4 DELIVERY

Delivery dates are promises given in good faith by the Company to indicate an estimated delivery time, but shall not amount to any contractual obligation to deliver at the time stated. No liability for direct or consequential loss or damage arising from delay in delivery will be accepted by the Company.

5 PAYMENT TERMS

Payment terms shall be as stated on the invoice unless otherwise agreed in writing by the Seller. The Seller reserves the right to suspend deliveries where payment for any order, related or otherwise, has not been made by the due date. Payment shall not be withheld on account of any claim by the Buyer against the Seller.

6 TITLE OF GOODS

All goods shall remain the property of the Company until paid for in full, together with all costs, expenses and losses that may have been incurred as a result of late payment. The Company reserves the right to collect such goods from the Customer's or any third party premises.

7 RETURNS

Any product sent back to the Company must be complete with part number/serial number, the Company's Invoice details and full details of any faults. Credit for replacement will not be issued until defects have been agreed by the Company. Goods should be returned quoting original order number with the appropriate returns note. In no circumstances will goods which have been mis-used, damaged or defaced in any way be accepted for credit.

8 WARRANTIES

We guarantee new product at our discretion and subject to the faulty product being returned to us together with a statement for the reason for return. We will not be liable for any consequential loss or damage as a result of a warranty failure. Product found to be defective within 12 months of purchase will be either repaired, or replaced at our discretion. However we shall only be liable in respect of defects of the goods if these have been notified to us immediately and in writing after they have become apparent. We shall not be liable for defects after a one year period from date of despatch from our premises.

9 FORCE MAJEUR

The Company shall not be liable for any delay in our failure to perform any of its obligations hereunder if the delay or failure is due to causes outside the control of the Company.

10 LEGAL CONSTRUCTION

Unless otherwise agreed by the Company in writing, these conditions, and the agreement to which this document relates, shall in all respects be constructed and operate as an English contract in conformity with English Law.
